

Adagio Tour™

Adagio Tour is uniquely suited to those who need a tough, lightweight floor for percussive dance styles. Tour has been specially designed to lay flat quickly and provide a surface with terrific tap sound. The surface is also excellent for all other dance forms including ballet, modern, Irish and jazz. Adagio Tour weighs only 1.63 lbs. per linear foot and provides a matte, non-reflective surface that is ideal in all performance venues. Despite the tough surface, Adagio Tour is very flexible, assuring years of carefree rolling and re-rolling.

Composition:

Homogeneous PVC
