

# Dance Floor

This highly portable vinyl floor is excellent for situations where a permanent dance floor cannot be installed. Dance Floor is lightweight (less than 2 pounds per linear foot, 255 pounds per roll) and flexible, so it can be rolled and unrolled as needed. This makes the floor ideal for situations such as touring dance companies, and theatres without a permanent dance floor. The matte non-skid finish provides the controlled slip dancers require.

**Composition:**

Homogeneous vinyl layers with non-slip urethane finish

**Nominal thickness:**

0.05" (1.3 mm)

**Roll Size:**

63" x 131.25" (1.6 m x 40 m)
